Our Dinner ladies...

The Classic car Show has been held in the centre of our seaside town since the year 2000. It's aim is to bring together different parts of our community for a day of fun and entertainment.

Each year the show has grown, now over 2000 people visit us and amaze at the large number of vehicles that come and exhibit.

The classic car show is organised by a team of volunteers and with sponsors hip from the town council and local businesses make this one of the towns annual events.

So remember the last Bank holiday Monday in May!
